

The Institute of Occupational Safety and Health (IOSH) is Europe's leading body for health and safety professionals. These accredited courses delivered by Select Health and Safety Ltd can be held at a venue of your choice or at our dedicated training facility.

Like IOSH Select Health and Safety don't just train people.....we inspire them.

Practical training programmes with a sharp business focus

IOSH WORKING SAFELY

Working Safely is a one-day course for staff from any sector with no supervisory or managerial responsibility. It provides a grounding in the essentials of health and safety – everyone at work should have an understanding of why they must 'work safely' and this course offers exactly that. Working Safely introduces a completely new approach to health and safety training and offers all the basics in a high impact interactive package

- Module 1 – Introducing working safely
- Module 2 – Defining hazard and risk
- Module 3 – Identifying common hazards
- Module 4 - Improving safety performance
- Module 5 – Protecting our environment

IOSH MANAGING SAFELY (5 DAYS)

Managing Safely is a course for managers and supervisors in any sector and any organisation. It's designed to give managers all they need to know to help them handle health and safety in their teams. The flexible new high impact programme covers all the main health and safety issues, and includes a session tackling the environment too.

- Introducing Managing Safely
- Assessing risks
- Controlling risks
- Understanding your responsibilities
- Identifying hazards
- Investigating accidents and incidents
- Measuring performance
- Protecting our environment
